Dear Ms. Warren,

On behalf of Point Foundation and *Whole Earth* magazine, I would like to thank the Preservation Fund for it's generous gift. The Fund's ongoing support of *Whole Earth* has contributed greatly to the magazine's efforts to present independent and intellectually challenging views on the environment, economy and current affairs.

If you ever have any questions regarding how the magazine spends donated funds, or anything otherwise about the business, please do not hesitate to contact me.

Regards,
